

## TEACHERS PROGRAM III

Taught for the first time in North America in over 5 years, this class is an advanced course in understanding the Light and how to direct and redirect it for the purposes of healing and well-being for personal use, as well as for clients.

### IN THE FIRST TWO DAYS WE WILL COVER:

- ◆ The difference between a business and service
- ◆ The Great Invocation and how to use it in your life and service
- ◆ Rights and Duties vs. Obligations
- ◆ The deeper Study of Light
- ◆ The 3 Laws for successful Direction of the En Sofic Rays (7, 12, and 22)
- ◆ How to Receive, Direct, & Redirect the full Sofic Ray (7 Planetary Rays, 12 Archangelic Rays, and 22 Rays of Humans)
- ◆ And how to infuse the Rays of Ensof (7, 12, & 22) within
  - Your aura,
  - Your client's aura, &
  - Your sacred healing space (the En Sofic Ray Healing uses the 12 Archangelic Rays).
- ◆ The 4 Cardinal Rules of Healing
- ◆ The Art of True Healing
- ◆ Deeper understanding of the chakras and how to use them in preparing yourself as a healer to work
- ◆ How to utilize the power of Raphael to create love for self and love for the client
- ◆ How to connect and feel unity with the abundant reservoir of Universe (En Sof) for yourself &/or your client
- ◆ How to infuse the sacred healing space with the Passion to Live.

This modality is not a healing, rather, it is the ideal way to set the healing space, both within and without. This is one of the highest methods of making a healing space taught within the Mystery School and can be used to set the space for any healing.

### IN THE LAST TWO DAYS OF THIS CLASS YOU WILL LEARN THE:

#### 1. KABBALISTIC HEALING – THE TREE OF LIFE DIMENSION

The Tree of Life is the most powerful expression of God that we humans have access to. The Tree is the representation of the very DNA of the human body and as we learn how to control and use the Tree, we can actually change the way our lives look and feel.

- ◆ *Awakening the Sephiroth* by utilizing the holy names of God in a sacred universal chant
- ◆ *The Tiphareth Infusion*  
In this method you take the Ultimate Power of the Universe, the 5<sup>th</sup> element, LOVE, and infuse this power into the client. This takes a lot of energy and is a very powerful method that makes both the client and the practitioner feel filled with the Ultimate Love of God, the Agape! This is the most powerful of the Tree of Life methods and does create enormous energy.

**2. THE ENOCHIAN HEALING – THE SPIRIT OF LIFE DIMENSION.** In this part we

- ◆ Explore the four symbols of Enoch (that he used to personally communicate with God) and to awaken the Holy Spirit within. As these symbols are used they slowly bring you to a platform where God appears.
- ◆ Connect with and invoke Raphael's personal healing assistant – one of the most versatile and fun Archangels in the Hierarchy. He is the angel of mercy and love and the most versatile of all angels.
- ◆ Call in the Blanket of Tranquility, laying it over the client
- ◆ Chant Enoch's holy text – invoking healing energy that penetrates deep into the body and soul, redirecting and realigning all energies that have gone amiss.

*This class is a must for every dedicated healer as well as every Enochian Warrior (Ritual Master). The only pre-requisite is Teachers Program I. (Note: Teachers Program II **is not required** to attend Teachers Program III.)*

By the end of this class you will be prepared and ready to start utilizing this information with your paying clients. As such we recommend that you book sessions prior to attending with deposits to help you cover your travel and class costs. The North American price for these healings is \$150.

Please register early – by July 12th with a \$300 deposit – to obtain a \$100 discount and secure your space. (Because of the nature of this class, space is limited). TAN discounts apply and the discount for this program nearly pays for your annual TAN enrollment fee!

To register, please contact the Crystal Temple at 866-755-7025.
